

The Results of the 2008 Futurity

Our 2008 Palomino and Open Stock Type Futurity was a success once more. We had 26 entries over all, with 20 Palomino's and 6 in the open stock type. We were down a little from last year (only 4), not bad with the way things are right now with the rest of the world. The weather was also on our side for the whole weekend. We were able to still offer around \$ 5000.00 with cash and prizes. I would like to say a big Thank you to all of our sponsors. They are as follows: Nutrena Feeds, Prevent Distributors, Nypea club, Cowboy Magic and Horse Bits. With out all of them we wouldn't have had as much to offer out exhibitors.

The classes were as follows. Starting with our very first class they are:
