

Northeast Gold Futurity Results 2009

By -- Michael Green

WOW !!! We had the best weekend of the summer. The weather couldn't have been better. The number of horses were better than expected which was a big plus. Our futurity entries were down from last year. The show went off without too many problems. This was my first year as show manager, so I had LOTS of help from many people. I want to say THANKS to all that helped me. I hope that next year can be a better year to get out and show. If anyone has any suggestions for the futurities or to help the shows run smoother just give me a call or email. My email address is mikpizza121@hotmail.com, my phone number is 315-359-9004 home, my cell number is 315-573-8513. Please feel free to contact me.
